ENABLERS

The Easier Way.®

NEW AND
IMPROVED
PACKAGING!

Easy Opener

EN11

Easily opens bottle caps, pull tabs, and box tops. Constructed to provide safety for the user.

Cane Holder

EN13

Keeps canes ready for use by attaching to the wall with self-adhesive tape.

Easy Key Turner

EN15

Concentrates hand power to turn key with minimal effort. Assorted colors.

Jar Opener & Closer

EN17

Concentrates hand power to remove lids and turn facets.

Doorknob Gripper

EN19

Slips over existing doorknob to provide a slip-free, gripping surface.

Pen & Pencil Cushions

EN21

Designed to alleviate stress while providing a secure grip. Assorted colors.

Lamp Switch Turner

EN23

Fits over existing switch to provide an easy, stress-free grasp. No electrical connections required.

Shopping Bag Carrier

EN25

Provides an effort-free handle that remains constantly supportive, regardless of bag load.

Every Enablers product is designed by a team of professionals

- These products were designed in consultation with occupational therapists to assure that they do what they are designed to do.
- Engineers use state-of-the-art manufacturing methods so these products are ergonomic, comfortable, and easy to use.
- Designers styled these products to look good, both in the home and when in use.

Zipper & Button Puller

EN27

Eliminates frustration by pulling button or zipper into position. Folds to half-length to fit into pocket or purse.

Glow Tape

EN31

Allows location of items in the dark and prevents nighttime accidents.

Safety Treads

EN33

Non-slip, self-stick treads that provide safe traction in tubs, on bathroom floors, stairs, etc.

Magnifying Glass

EN34

Magnifies twice original size. Large enough to do what's needed, yet small enough to fit into pocket or purse.

Spoon & Fork Holders

EN37

Holders fit onto virtually any style spoon and fork and provide a secure grip.
